Description: God and the State (called by its author The Historical Sophisms of the Doctrinaire School of Communism) is an unfinished manuscript by the Russian anarchist philosopher Mikhail Bakunin, published posthumously in 1882. The work criticises Christianity and the then-burgeoning technocracy movement from a materialist, anarchist and individualist perspective....

Review: God and the State is a great, though unfinished treatise on the synonymous roots of the Church and the State in our society, or more accurately, the States roots in the Church. While this may be a bit dense and rambling for those not used to philosophical writings of the 19th century, those well-versed in the tradition will find it particularly illuminating....
